## **Medicine**Today

## Patient consent to publish form

For a patient's consent to publication of information about them in *Cardiology Today* 

Name of person described or pictured:
Article title:
Author(s):
give my consent for material about me (or my child/ward/relative) to be published in <i>Cardiology Today</i> , and other publications produced by Medicine Today Pty Ltd, in print and online. <i>Cardiology Today</i> is a professional medical journal for doctors, but its website may be accessed by the general public. The material will not be used for advertising, packaging or financial gain.
I understand that my (or my child's/ward's/relative's) name will not be published and that every attempt will be made to ensure anonymity. I understand, however, that complete anonymity cannot be guaranteed.
Please tick the appropriate line below:
I have read the manuscript or a general description of what the manuscript contains and seen altimages of me (or my child/ward/relative) that are proposed to be published.
or
I have been offered the opportunity to read the manuscript and view the images of me (or my child/ward/relative) that are proposed to be published, but I waive my right to do so.
